Rental Terms and Conditions

'Total' does not include any additional items you may select at the location or any costs arising from the rental (such as damage, fuel or road traffic charges, & local insurance). For renters under the age of 25, additional charges may apply, and are payable at the location.

Please note that at the time of rental you will need to present a current driver's license and a valid major credit card. Hertz locations also accept most, but not all, debit cards. Use of a debit card to rent a vehicle is subject to a review of your credit history. A few locations do not accept debit cards at time of rental. If you have questions about the acceptability of your form of payment, call Hertz.

DESTINATION SPECIFIC TERMS

- At the time of pick-up you will need to present a valid driver's licence, a passport or ID card, and the credit or debit card that was used for payment online. This MUST be presented by the person in whose name the vehicle was booked.
- For some car groups you may be required to present two credit or debit cards. Details can be found in the information.
- We reserve a charge on your credit or debit card at pick-up to cover the estimated costs arising from your rental, including a full tank of fuel. The reserved amount will be released on final calculation and payment of your rental charges on return.

FUEL

- If you do not take our Fuel Purchase Option (FPO) – see for details - and do not return the vehicle with a full tank of fuel, we will fill the tank for you and charge you for the costs we incur and the service we provide in doing so.
 - 1. Race track driving: It is forbidden to drive the vehicle on race tracks even if these are approved for general traffic, e.g. tourist drives on the Nürburgring and drives for motorsport purposes, especially at events where the idea is to achieve maximum speed or practice rounds for this. In the case of violations against this provision Hertz can charge a contractual penalty of EUR 2,500.*
 - 2. Reporting of accidents: If you culpably fail to fulfil your duty to report an accident to the police and/or Hertz, or if you culpably do not file this accident report as quickly as possible, therefore with a delay, you must pay Hertz a contractual penalty of EUR 500.*
 - 3. Guiding: In the case of lorries and transporters on account of the increased accident risk reversing of the vehicle is only permissible under guidance from another person. If you reverse the vehicle yourself without guidance or let another person reverse the vehicle without guidance then in the case that an accident is caused through culpable violation of this obligation a contractual penalty of EUR 900 is payable to Hertz.*
 - 4. Unauthorised driver: The vehicle may only be driven by the hirer or a driver who has been authorised to do so by us. Any violation of this stipulation and provision of the vehicle to a third party means that you are obliged to pay a contractual penalty of EUR 500.*
 - 5. Entry ban: If contrary the rental T&Cs you drive the vehicle into a country, entry to which is forbidden for you under the rental T&Cs due to the vehicle category, then you are obliged to pay a contractual penalty of EUR 500 for the violation of the entry restrictions.*
- *If payment of a contractual penalty was agreed in advance, you are free to prove that Hertz suffered no or only minimal damage. In addition, Hertz retains the right in these cases to claim higher damages beyond the contractual penalty.

Requirements for Collection

- The named driver must present a valid driver's licence and at least one credit or debit card in his/her name, which must be the one used for the online booking.
- When you collect the vehicle we will block a reservation amount on your credit card to cover us for all unpaid rental and optional extra charges plus a full tank of fuel/recharge (the minimum amount will be €200, if you have elected to pay at the location the amount blocked on your card will equal the total estimated rental charges for the rental period). The reserved amount will not be accessible by you during your rental. We will release the reservation amount after final calculation and payment of your rental charges on return (minus any charges). However, it may take up to 30 days to show in your account due to your card issuer's processes. For more information please see. Full details can be found in the information.

A Frequent Flyer Surcharge of up to \$1.50 per day may apply when renters choose to take miles or credits from a U.S. Frequent Flyer program.
